

The **Backpage** becomes locked after the assembly of the first Court Document.

① If locked, click on .

② Once unlocked, click on , to see the changes reflected in the document.

Clicking on  will delete all manual edits made to the **Backpage** and will return the text and formatting to the original defaults based on the file details.

If any changes are made to the **File Details** or **Parties**, the **Backpage** will need to be refreshed to reflect these changes.
