

If you receive an error message such as the one displayed here, click **Generate Error Report**.

ACL3 will close and an **Error Report** will generate in MS Word. In the General Information section, enter a brief description of the last actions performed in ACL3 prior to receiving the error message, and send the Error Report by e-mail to [aclsupport@korbitecinc.com](mailto:aclsupport@korbitecinc.com).

**ERROR REPORT**

If you are able, please insert under "General Information" below, a description of the problem, the sequence of events that led to the problem occurring, and any additional information and/or screen-shots that you think will assist in trouble-shooting.

Please then attach (or copy and paste) this entire document in an email to: [ACLsupport@KorbitecInc.com](mailto:ACLsupport@KorbitecInc.com)

Thank you for your co-operation, and apologies for any inconvenience.

The ACL Team
